

FANDUEL CASINO LAUNCHES STANDALONE PRODUCT IN NEW JERSEY, ADDS LIVE DEALER GAMES

IN MICHIGAN

FanDuel Casino Now Available in NJ, PA, MI, and WV

LONDON, July 29, 2021 – FanDuel Group, part of Flutter Entertainment plc, is expanding its FanDuel Casino offerings in New Jersey and Michigan. FanDuel Group announced earlier this week the official launch of its FanDuel branded, standalone FanDuel Casino product in New Jersey on iOS, Android, and desktop. In Michigan, FanDuel Casino customers can now enjoy live dealer games from Evolution.

FanDuel Casino was initially offered exclusively within the FanDuel Sportsbook app in New Jersey. With the addition of the standalone FanDuel Casino product, customers living in or visiting New Jersey now have a dedicated online casino experience that is secure, legal, and fully regulated. The standalone FanDuel Casino app will feature casino game staples like blackjack, roulette, video poker, and a multitude of recognizable slots and fan favourite games from the casino floor. FanDuel Casino will still be available within the FanDuel Sportsbook app, and new casino players can either signup for a Casino account or use their existing FanDuel Fantasy or Sportsbook account to login and play.

FanDuel Casino is also expanding in Michigan. FanDuel Casino has added live dealer blackjack, roulette, and baccarat games for customers living in and visiting the state of Michigan. The live casino games launched last Thursday, after approval from the Michigan Gaming Control Board. Live dealer casino games give players the social interaction of a casino with the convenience of playing from home.

FanDuel Casino is available today on iOS, Android, and desktop in New Jersey, Pennsylvania, Michigan, and West Virginia.
