

## FanDuel Group Launches Live Dealer Studios in Michigan & Pennsylvania

FanDuel, part of Flutter Entertainment, is expanding its online casino offerings through the introduction of its first-ever FanDuel-branded live dealer studios in Michigan and Pennsylvania in partnership with Evolution.

All of FanDuel's live dealer games, including blackjack and roulette will now be streamed for Michigan and Pennsylvania customers directly from FanDuel's live dealer studios. Classic casino games will now be available online with an exciting FanDuel branded live dealer element giving FanDuel Casino players in Michigan and Pennsylvania an interactive casino experience from their home. A dedicated live dealer studio offers FanDuel the ability to offer players exclusive promotions and with the addition of live updates with dynamic stats, the FanDuel Live Dealer Games will be attractive to both experienced and novice players. The user interface will guide players in what bets you can place and even show potential winnings for your bets. Playing FanDuel Live Dealer Games is a great opportunity to learn the game in a more controlled environment, and for the experienced player, the game offers a less crowded and more relaxed gaming experience.

FanDuel Casino is available in four states in the United States. FanDuel Casino has a number of key features including:

- Hundreds of slots and table games that you might find on a casino gaming floor including blackjack, roulette and popular slots like 88 Fortunes and Wheel of Fortune
- The ability to cash out winnings securely and quickly with the same level of guest service, convenience, safety and security that customers have come to expect from FanDuel.
- Numerous account protections reflecting the strong commitment to responsible gaming by FanDuel.
